

Careers Programme 2026-2027

At The Isle of Wight College, we provide a comprehensive, **high-quality programme of impartial careers education, advice, and guidance**, led by qualified staff within a stable and structured framework. Our **clear vision** for careers and employability education focuses **on broadening learners' horizons, while aligning with the needs of employers and the aspirations of students**.

We take pride in our strong connections with **local employers, offering students valuable industry insights** and a range of meaningful experiences that enhance their skills and career knowledge. Through our partnerships with employers and other organisations, students have the chance to **engage directly with industry professionals and access important information about future career paths**.

We follow the **EIGHT Gatsby Benchmarks Framework** to ensure that our students receive the highest standard of **careers education, information, advice, and guidance**, while also enabling them to track their progress and identify areas for further development.
