

Downloading the App.

eNotify is a Web Application – so you can download the App from any Browser and access it on your chosen device. To download the app go to <https://enotifystudent.vlesupport.co.uk>

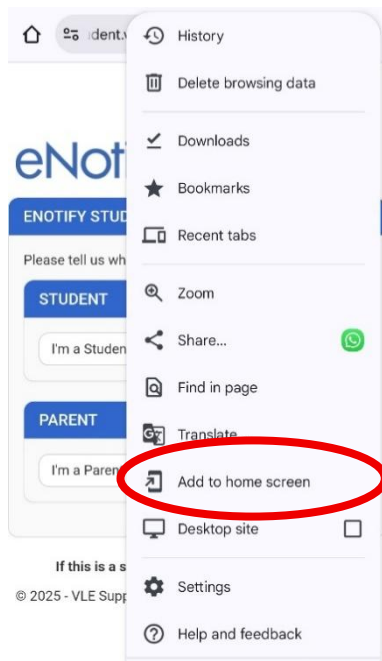

Mobile - Android

Navigate to <https://enotifystudent.vlesupport.co.uk/> in your browser

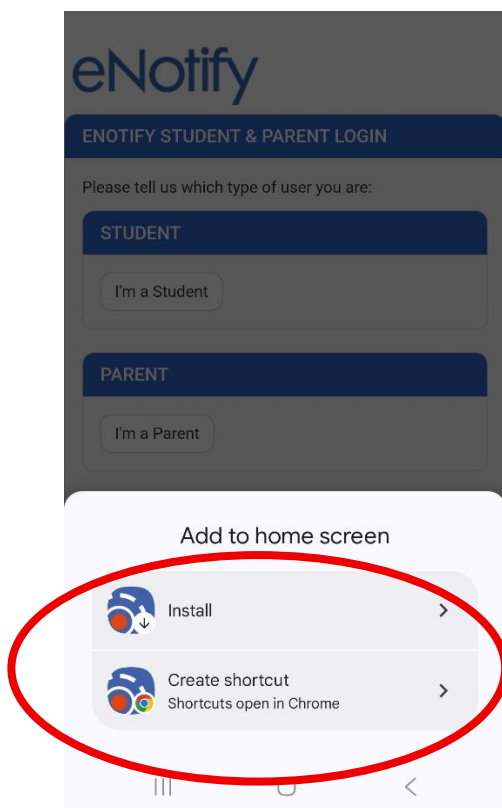

Open Menu: Tap the three-dot menu icon in the top right corner of the browser.

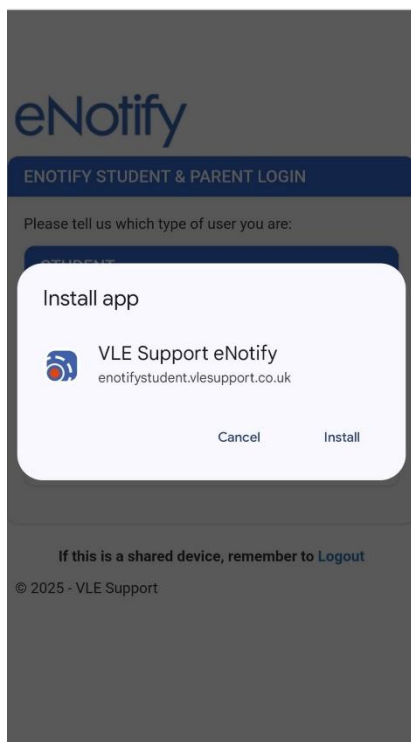

Add to Home Screen: Select "Add to Home screen" from the menu.

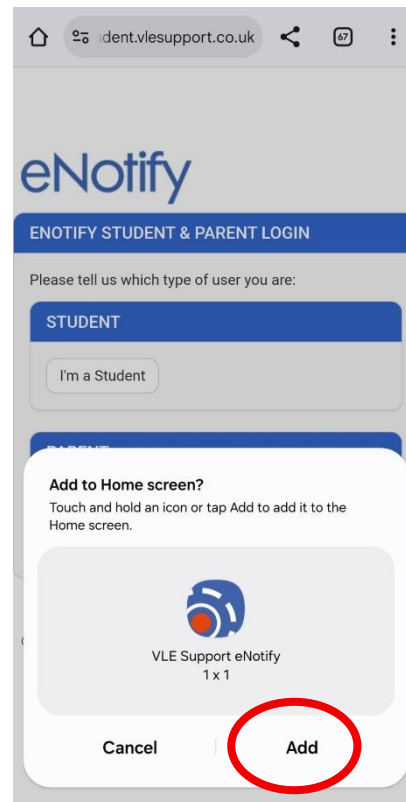

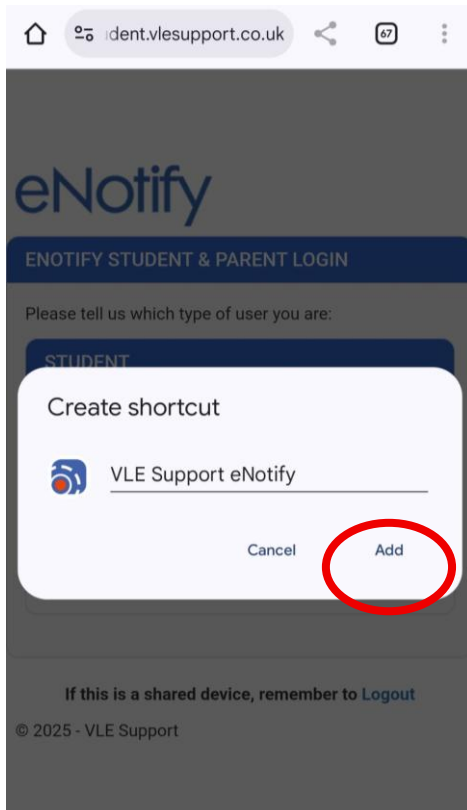

You can either Install the app or create a shortcut:

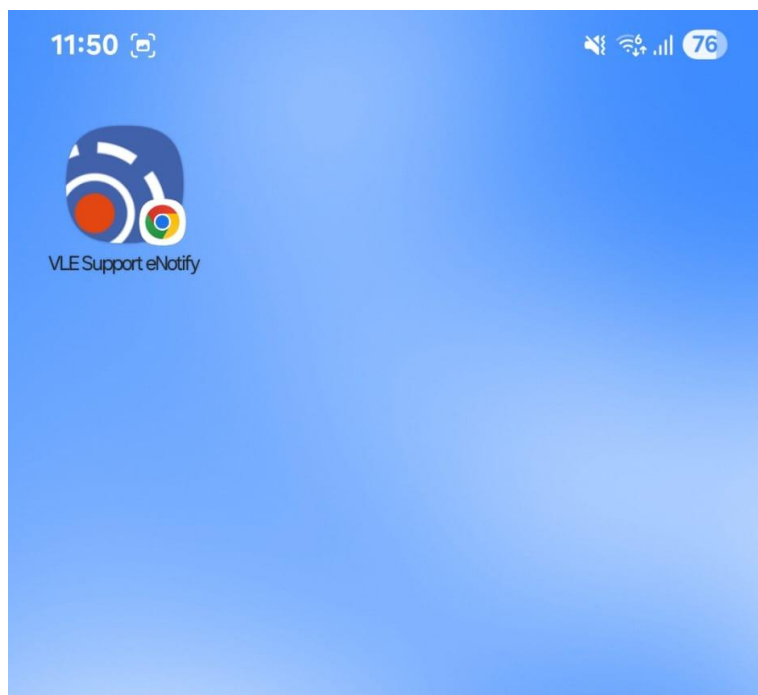

To Install – click 'install' on the next screen - this installs the app and adds the icon to your phone

To create Shortcut - Click 'add'. On the next screen, click 'add' again

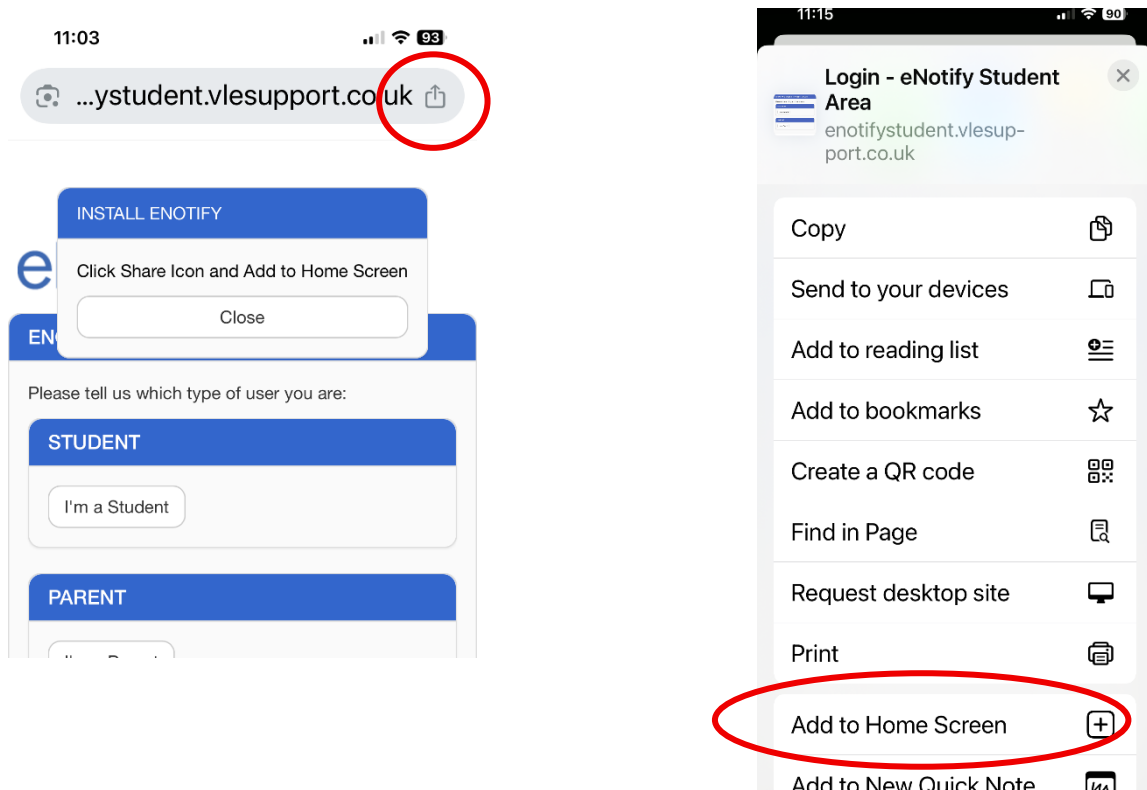

This will add a shortcut to your homescreen:

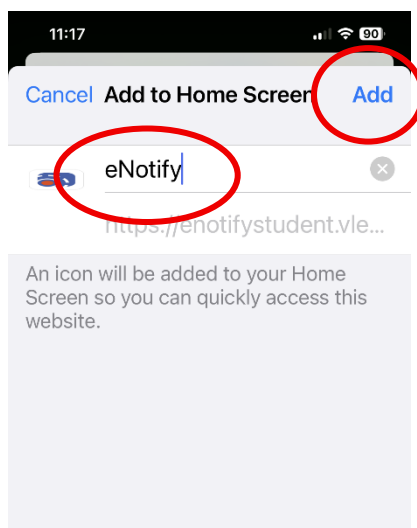

Mobile - IOS

Tap the share icon, then on the next screen click 'add to home screen'.

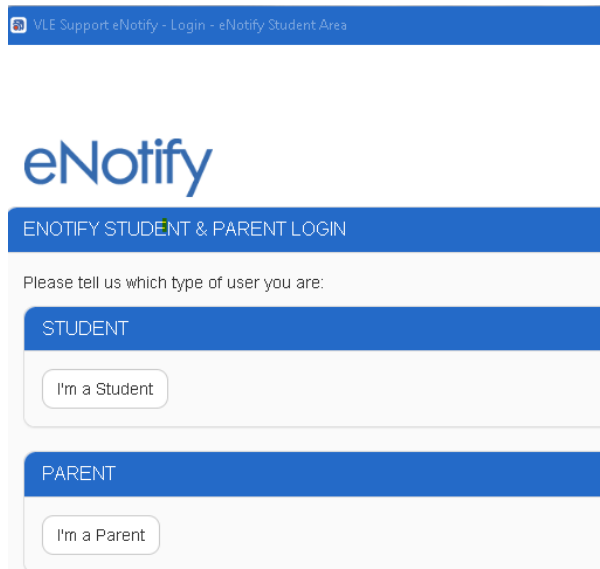

On the following screen, label it 'eNotify' and click 'add' to add the icon to your home screen

Logging on to the App

1. Once it has downloaded, you can open the App. You will then be taken to the 'Welcome' page where you should click the 'student' button.

VLE Support eNotify - Log In - eNotify Student Area

eNotify

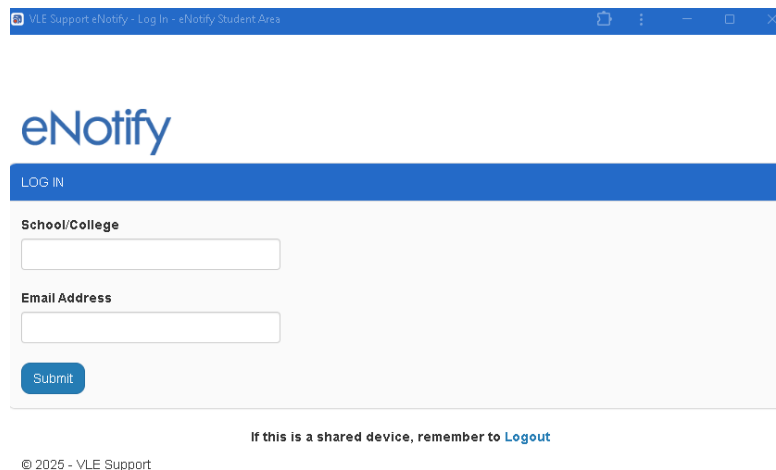

ENOTIFY STUDENT & PARENT LOGIN

Please tell us which type of user you are:

STUDENT

PARENT

2. You will then be asked to input your College email address

VLE Support eNotify - Log In - eNotify Student Area

eNotify

LOG IN

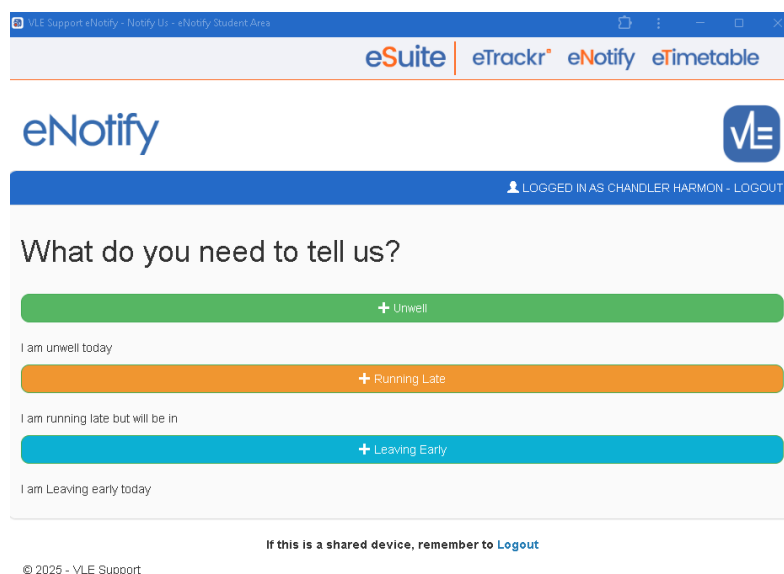

School/College

Email Address

If this is a shared device, remember to [Logout](#)

© 2025 - VLE Support

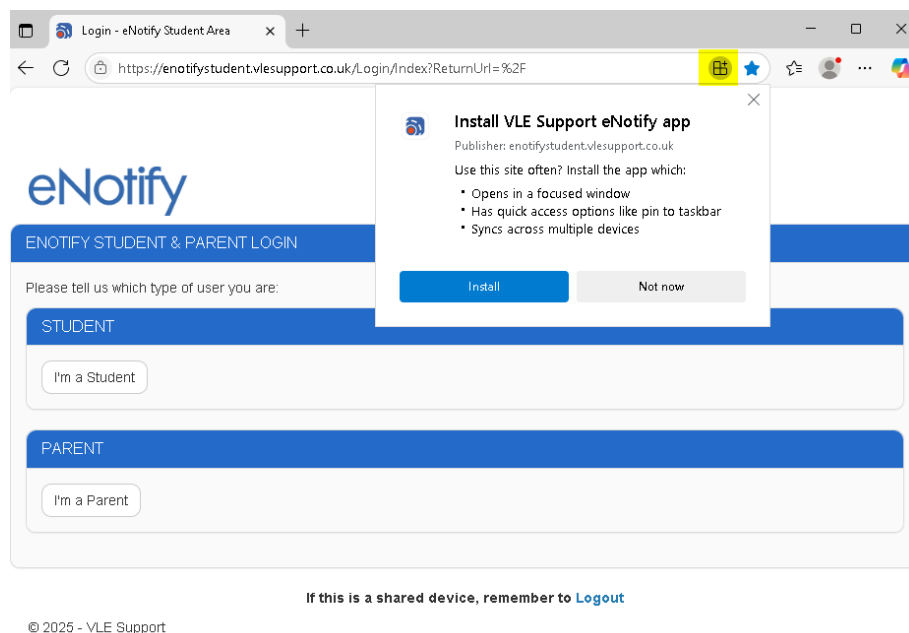

And you should then see the Notification Options for your college.

The screenshot shows the eNotify Student Area interface. At the top, there's a navigation bar with 'eSuite', 'eTracker', 'eNotify', and 'eTimetable'. Below this, the 'eNotify' logo is on the left, and a 'VLE' logo is on the right. A status bar indicates 'LOGGED IN AS CHANDLER HARMON - LOGOUT'. The main heading is 'What do you need to tell us?'. There are three main options, each with a colored bar and a '+' icon: 'Unwell' (green), 'Running Late' (orange), and 'Leaving Early' (blue). Below each option is a text input field. At the bottom, there's a note: 'If this is a shared device, remember to Logout' and a copyright notice '© 2025 - VLE Support'.

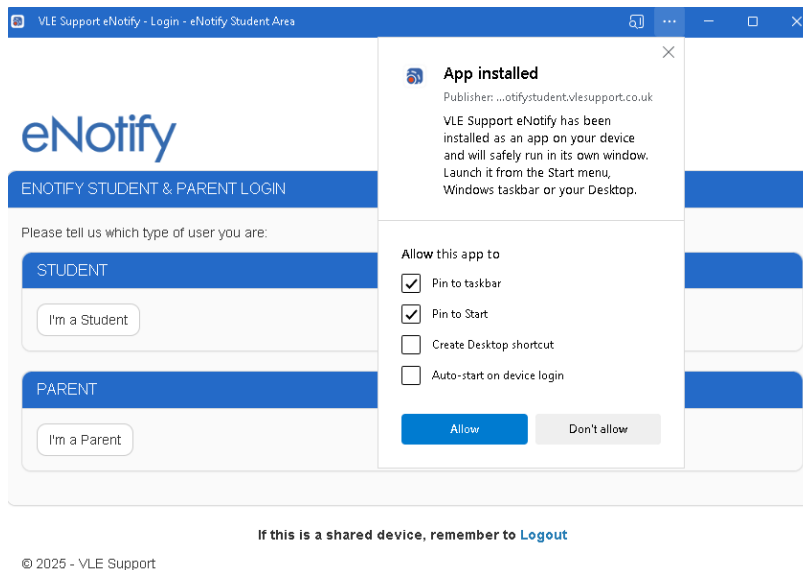

Microsoft Edge Browser

Click on the highlighted icon to get the Install option.

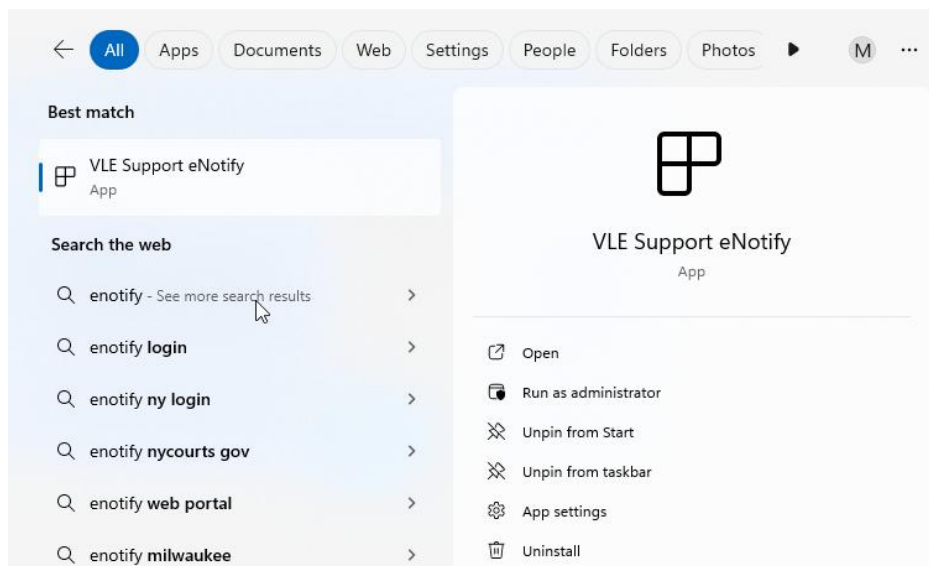

The screenshot shows the Microsoft Edge Browser window. The address bar shows the URL 'https://enotifystudent.vlesupport.co.uk/Login/Index?ReturnUrl=%2F'. The page title is 'Login - eNotify Student Area'. The main heading is 'eNotify'. Below this, there's a section 'ENOTIFY STUDENT & PARENT LOGIN'. The text says 'Please tell us which type of user you are:'. There are two main sections: 'STUDENT' and 'PARENT'. Under 'STUDENT', there's a button 'I'm a Student'. Under 'PARENT', there's a button 'I'm a Parent'. An app installation prompt is overlaid on the page, titled 'Install VLE Support eNotify app'. It says 'Publisher: enotifystudent.vlesupport.co.uk' and 'Use this site often? Install the app which:'. The prompt lists three benefits: 'Opens in a focused window', 'Has quick access options like pin to taskbar', and 'Syncs across multiple devices'. There are 'Install' and 'Not now' buttons. At the bottom, there's a note: 'If this is a shared device, remember to Logout' and a copyright notice '© 2025 - VLE Support'.

Running Install from Edge you will see:

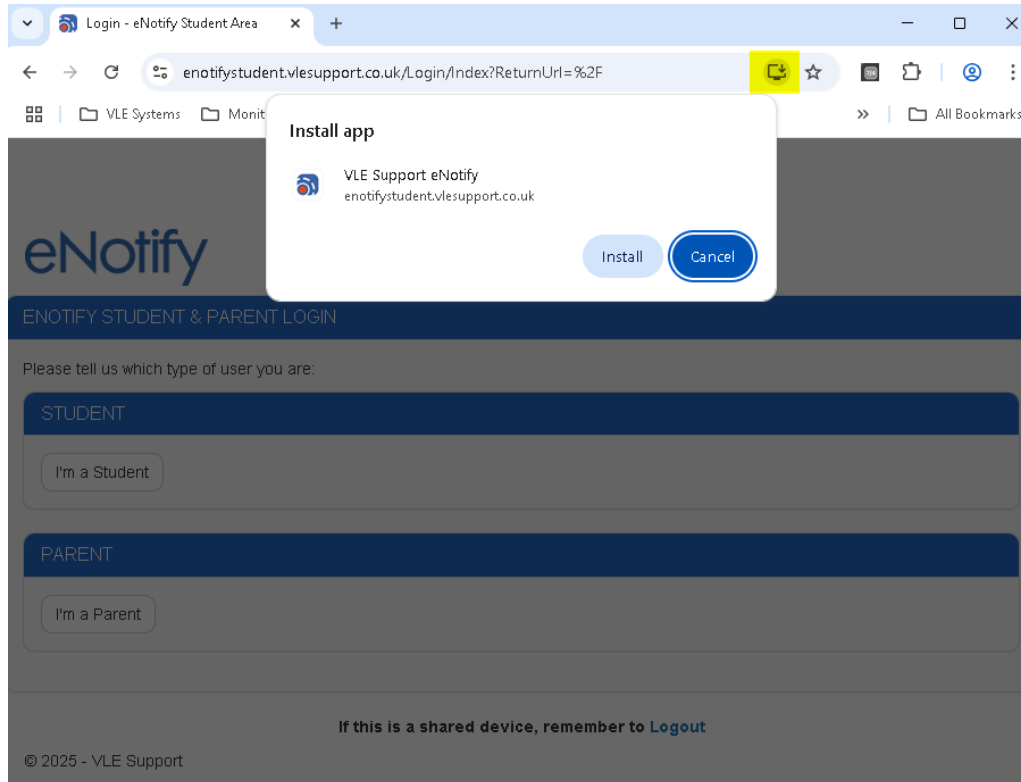

If you 'Allow' then you will see  on the taskbar or the following, when you type eNotify in the Search box.

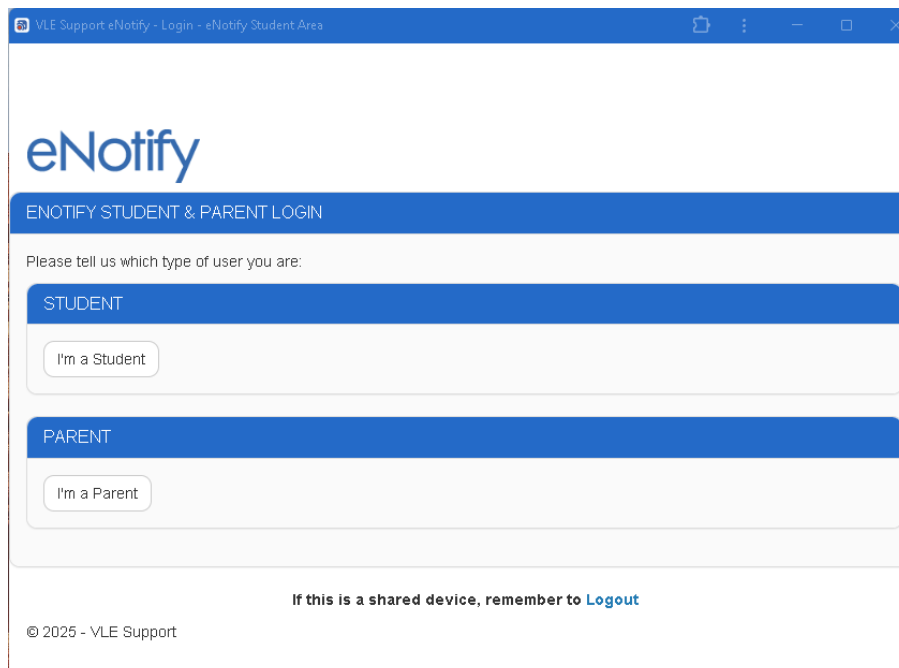

Chrome Browser

Click on the highlighted icon to get the Install option.

Running Install from Chrome you will see

You will also see in the Task bar, or the following, when you type eNotify in the Search box.
