Host Families Wanted

Why become a host family?

The Isle of Wight College

Your Future Starts Here

Experience a cultural exchange
and learn about different cultures & traditions

Share Island Life
and help an international student feel at home

Make lasting connections
and become part of our international community

Receive Payment
to contribute towards the costs of hosting

no previous experience necessary

Support from us

Our International Team will provide guidance before and during the student's stay, so no previous hosting experience is necessary.

Families of all kinds are welcome, including couples, single people, single-parent households and empty nesters.
