

Maths Resources

The Isle of Wight
College

Your Future Starts Here

✨ **Maximise Your Maths Success with These Self-Study Resources!** ✨

To all maths students at The College, taking time to study outside of class can significantly boost your progress. Whether you're preparing for an exam or just looking to strengthen your understanding, these excellent tools can help:

Century – An online e-learning suite tailored to support your studies throughout your maths course. Access it here: <https://app.century.tech/login/>

Sign in with Office 365:

- Username: firstname.surname@mylife.iwcollege.ac.uk
- Password: your college password

(If you have not logged in before please use your DOB in the format 23-mar-90)

Maths Genie – Get access to short, easy-to-follow tutorial videos and practice exam questions with answers. Perfect for focused revision! 🖱️
<https://www.mathsgenie.co.uk/gcse.html>

Corbett Maths – A treasure trove of resources, worksheets, and videos to help you master key maths concepts! ✨ <https://corbettmaths.com/>

OnMaths – Complete online self-marking papers, including predicted papers, to track your progress. Start practicing now! 🖋️ <https://www.onmaths.com/>

Top Tip:

Consistent revision outside of class helps reinforce your learning, improves retention, and builds confidence before exams. Let these tools work for you!
